

## POLICY FOR PUBLICATION INCENTIVES

The Office of Research Innovation and Commercialization is working to promote research culture and motivate faculty, staff, and students of Prime Foundation (and its allied institutes) to publish their original work in recognized journals inside and outside Pakistan.

1. To receive publication incentive, the applicant must be:
  - a) A current faculty member, staff, or student of Prime Foundation and its allied institutes;
  - b) This affiliation must be mentioned in the published paper along with the name of Riphah International University, e.g.,  
Department of \_\_\_\_\_, Peshawar Medical College/Peshawar Dental College/  
Rufaida Nursing College/Prime Institute of Public Health, Riphah International University, Islamabad – Pakistan.
2. The proposal of the paper must be approved by the IRB of Prime Foundation.
3. A pre-defined amount of incentive will be awarded to those eligible (upon application)
4. The role and contribution of an author will be assessed by a committee that will take into consideration the role as a corresponding author or a single/ multiple authors from Prime Foundation in a multi centered study.
5. The amount of incentives will be calculated based upon authorship position and category of publication.
6. Categories of publication are as follows:

Category Number	Description	Max. Incentive
1	Impact Factor > 5	300000
2	Impact Factor 3 to 5	200000
3	Impact Factor 2 to 2.99	150000
4	Impact Factor 1 to 1.99	100000
5	Impact Factor < 1	50000
6	HEC (PMC) Recognized X Category Journal	25000
7	HEC (PMC) Recognized Y Category Journal	15000
